

## **START**

### MISCHA (CONT'D)

as 'Bad Egg' on the YouTube. I'm well known there.

That's where I met my shorty, Talia. She's from Kiev, from my country, and she gave me mostly positive feedback on my YouTube comment wall... and then we became mad passionate all-night lovers on Facebook, Twitter... we made love with each other in my native language on all of the social media networks. She is now my fiancé... we were engaged... I was saving up to move back to Ukraine and we were going to...

*(he gets emotional)*

Too much passion... now Rage!

I have no respect for this country! Fact: you want to know what Canada is leading supplier of, to whole world? Two things: mustard seeds... and Uranium. That's great for hotdogs, yes... but not so good for Ukraine. So thank you for killing my mother. And for indirectly killing me. I feel the rage, and when I rage, I rap about money... in auto-tune.

*(accusingly at anyone who laughs)*

Auto-tune will never die. Hit the beat.

## **STOP**

### #13 THIS SONG IS AWESOME

*(This song is a HEAVILY auto-tuned hiphop number – à la T-PAIN. [We used a TC Helicon C1 pedal, but anything that gives a hard autotune will work.] During the number, Ricky has a Robot Head circa 1950's boxy vintage toy variety, he moves like a robot throughout.)*

*(spoken)*

Yo, this is a song to tell you that what you is, is what you got! And I'm here to say that:

*(auto-tuned)*

I AM THE MONEY!!

WHAT YOU IS, IS WHAT YOU GOT  
AND I AM THE MONEY
